This looks like a clue for unlocking **The Mysterious Egg** badge!
Could the letters be out of order?

RASIHAP

Try to rearrange the letters and discover the secret code word for this badge.

While on your quest you discover some unusual shapes engraved on a rock. It looks like a clue for unlocking **The Lucky Gem** badge, if only there was a way to read it...

You'll find more badges and chances to win by broadening your quest to the three **City of Yarra Leisure Centres**.

...and don't forget to visit our friends at **The Little Bookroom**!

The more badges you unlock and the more books you read, the more chances you'll have to win great prizes! Good luck!

All but one of these words can be found in the crossword. Solve it to reveal the secret code word for **The Door** badge.
