Our New App!

Borrowing from Yarra Libraries has never been easier thanks to our new mobile app. Members can now skip the checkout and borrow physical items with their mobile device.

Keeping track of digital loans is now easier too, with an integrated bookshelf that brings your ebooks, audiobooks and digital magazines from third-party apps (RBDigital, Borrowbox and cloudLibrary) into the one place.

The app also allows members to reserve study spaces and register for events; it's also easy to check due dates and renew items.

Downloading the app is simple. Search "Yarra Libraries" in the App Store (Apple) or Play Store (Android), or ask a staff member for assistance.
